The Macleod Constituency.

In this constituency of which Clareholm forms a part each party was confident of victory. The result in the two local polls was a surprise to both Liberals and Conservatives. Mr. Macleod's friends expected at least 75 of a majority and the supporters of Mr. Herron conceded almost as many but when the votes were counted and the liberals had a majority of only 46 no one would have given Mr. Macleod very much for his chances. At the return came in from the outlying places Macleod's chances looked brighter and at times there was a considerable doubt of what the result would be. The rural districts were all on the doubtful lists but in the end increased Mr. Herron's majority. The result was rather close and Mr. Macleod deserves great credit for the fight he put up. Mr. Herron's personal popularity and the good work he has done in the House of Commons during the last four years are chiefly responsible for his victory.

The following are the results of the polls along the railway line. The exact figures will not be known until the ballot boxes are opened Saturday next by the returning officer. Okotoks, Herron 56 Majority Alderville, Macleod 7 " High River, Herron 18 " Cayley, " 17 " Nanton, " 27 " Staveland, " 3 " Clareholm, Macleod 46 " (transit), Herron 38 " Macleod, " 73 " Pincher Creek " 40 " The Pass, including Coakman, Badrevere, Frank, Macleod 77 "

Carmanagay, Herron	2	"
Blaney, Macleod	5	"
Edmonton, " "	4	"
Star Line, " "	1	"
Bow View, " "	17	"
Clear Lake, Herron	2	"
Alberta Red, Herron	2	"
Five Mile, Macleod	2	"
Lynden, " "	4	"
New Oxley, Herron	2	"
Meadow Creek " "	2	"
Trout River, " "	2	"

In the Pass Harrington the Socialists had a majority over both the other candidates but in other parts of the riding his vote was so small that he will probably lose his deposit.

Mr. Templeman

will now retire

October, Oct. 27.—It is within bounds of possibility that the defeat of Hon. W. Templeman in Victoria, B. C., will result in retirement of that gentleman from public life and the leadership of the Pacific coast Liberals will devolve upon Ralph Smith or Duncan Ross.

Carmanagay.

Thousands of wild geese have been seen flying south this week.

Messrs. Simons and Wilkinson succeeded in bringing one down on their way out from town on Monday.

A very enjoyable and social party took place on Monday evening at the home of Mr. and Mrs. J. W. Madden. The gathering was held in honor of Mrs. "Duff" Cook, who expects to return to Toronto at the end of this week, after a three months' sojourn in this neighborhood during which time she has made and renewed many friendships. The guests were fortunately able to return home just before the storm broke.
